# ABOUT CANNABASH

Our mission is to bring cannabis education to the communities of Florida. We currently host two educational events each year with a large eclectic crowd in attendance. We plan to continue our efforts with the support of local dispensaries, MMJ companies, non-profits, retailers, and a variety CBD & Hemp companies.

Cannabash originated in Jacksonville in 2018 by Dr. Rene Pulido and this festival has attracted attendees from all corners of the state of Florida.
